ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record]

Letter no D.O.C 955 A 1. 0 23-24 from the D. of Agriculture in Mysore.

Forwards copies of communications received from the Live Stock Expert in Mysore and plates for the reasons stated therein it is not possible to open the Kavals round about Yagati Hobli for the free grazing of cattle of the villagers etc.

The Live Stock Expert is of opinion that the quantity of fodder available in the A. M. Kavals will not be sufficient for the Departmental cattle abroad, and as such the Kavals cannot be thrown open to the public.

The petitioners will have to be referred to the Conservator of Forests who will, as per G.O. No C. 3591-600 Ft. 29-23-53 dated 3rd December 1923, open State Forests adjoining Yagati Hobli in the Kadur Dist. on requisition. If approved, the petition will be forwarded to the Conservator of Forests for necessary action.

FROM

LESLIE C. COLEMAN, ESQ., M.A., PH.D.,
DIRECTOR OF AGRICULTURE IN MYSORE,
BANGALORE.

To

K. V. Anantaraman, Esq., B.A.,
Ag. Secretary to the Govt: of Mysore,
Revenue Department, Bangalore.

Sir,

Adverting to your letter No. Dis.7, dated 17th ultimo, in the matter of throwing open Amrit Kanal Kavals for grazing the cattle of the ryots of the Yagati Hobli, Kadur Taluk, I have the honour to forward herewith copies of letters Nos. 252 and 326-A.M.D., dated 4th and 21st December 1923, respectively, from the Live Stock Expert in Mysore, and to state that no kavals can be spared for the grazing of the ryots' cattle under the circumstances explained by that Officer.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

DLR

Letter No.252-A.M.D. dated 4th December 1923 from the Live Stock Expert in Mysore, Bangalore.

Reference:- Revenue Commissioner's D.O. dated 1st December '2[illegible] to the Director of Agriculture. (Attached).

The Revenue Commissioner's statement that Amrit Mahal kavals are being leased by Servegars is not entirely correct. Some of the kaval of the Department, have been leased, as is usual, the leases being agreed upon before the present situation regarding fodder arose. All subsequent sales have been stopped, and the revenue from this source will be less than 1/3rd of the average for that reason. In spite of this, and because of bad seasonal conditions, and in some cases on account of heavy trespass by the public on the kavals, it will be extremely difficult for me to care for the cattle of the Department this year, and it has already become necessary for me to go further afield and look for extra grazing in malnad forests for these cattle, as I have already stated in previous references.

Under the circumstances, it would be nothing short of gross neglect of duty on my part to consent to the release of Amrit Mahal kavals for other purposes than those for which they are intended. I am as well aware of the acuteness of the situation as any one, because the Amrit Mahal Department itself is feeling it keenly, and would be only too willing to render assistance if it could do so without serious consequences to the Department itself, which I am afraid is not possible at least on the lines indicated by the Revenue Commissioner.

2. No.326-A.M.D. dated 21st December 1923 from the same Officer.

Adverting to your memo No.Roc.955-A.L. of 23-24 dated 18th ultimo (returned herewith with enclosures in original) in the matter of throwing open Amrit Mahal Kavals for grazing the village cattle of the Yagati Hobli, Kadur Taluk, I have the honour to invite reference to my letter No.252-A.L.D. dated 4th December 1923, wherein I have fully explained my reasons for not opening any kaval for the temporary use of the ryots cattle. The villagers of Yagati Hobli want permission to graze their cattle in the Amrit Mahal Kavals situated round about and not in any particular Kaval.

2. As regards allowing their cattle in the State Forests, the Conservator of Forests in Mysore may be consulted.
